

## Easy to reach

**By plane:** To Frankfurt, München, or Nürnberg International Airports. Continue to Bayreuth by train or rental car.

**By train:** From Nürnberg to Bayreuth: Hourly train service from Nürnberg Central Station to Bayreuth (travel time: 1 h). From München Central Station to Bayreuth by ICE high speed train via Nürnberg (travel time: 2 h).

**By car:** Highway A9. Take exit „Bayreuth Süd“ and follow the signs to the University.

## HOTEL ACCOMMODATION

Special university rates are available for attendees. See the website for further information:

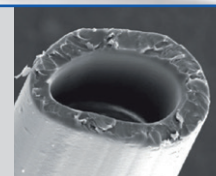

[www.bps-bayreuth.de](http://www.bps-bayreuth.de)

## Contact

Please inform other colleagues and coworkers  
about this meeting!

1<sup>st</sup> Circular and Invitation

# Bayreuth Polymer Symposium 2019

September 22 – 24, 2019  
Bayreuth, Germany

UNIVERSITÄT  
BAYREUTH

# 16th Bayreuth Polymer Symposium 2019

**BPS 19** is the 16th biennial international Bayreuth Polymer Symposium. Current topics of interest from research areas are presented including *functional polymers, polymer materials, polymer colloids, polymer interfaces, polymer nanostructures, polymer nanotechnology, and biomaterials.*

**A special session on „Microplastics“ will be included.**

A primary objective of this meeting is to bring people together from different areas of polymer, colloid and materials science to discuss different aspects of fundamental and applied research. The symposium provides a platform for dialog between researchers from universities, research institutions, and industry.

## SYMPOSIUM ORGANIZERS

**BPS 19** is organized by members of Macromolecular Chemistry (Seema Agarwal, Andreas Greiner, Hans-Werner Schmidt, Peter Strohhriegl, Mukundan Thelakkat), Physical Chemistry (Georg Papastavrou, Markus Retsch), Polymer Engineering (Volker Altstädt) and Biomaterials (Thomas Scheibel) of the University of Bayreuth.

The symposium is organized by the Bavarian Polymer Institute and supported by the Collaborative Research Centers SFB 840 „From particulate nanosystems to mesotechnology“, SFB/TRR 225 „Biofabrication“, and SFB 1375 „Microplastics“ funded by the German Science Foundation.

**BPI**  
Bavarian Polymer Institute

## Scientific Program

The scientific program consists of plenary lectures, invited lectures, contributed lectures, and poster sessions. The conference language is English.

### CONFIRMED INVITED SPEAKERS

**George Fytas**, MPI for Polymer Research, Mainz

**Jürgen Groll**, University of Würzburg

**Andreas Herrmann**, DWI-Leibniz-Institute, RWTH Aachen

**Il-Doo Kim**, KAIST, Korea

**Katharina Landfester**, MPI for Polymer Research, Mainz

**Shlomo Magdassi**, The Hebrew University of Jerusalem

**Kris Matyjaszewski**, Carnegie Mellon University

**Alejandro J. Müller**, University Basque, San Sebastián

**Rachel O'Reilly**, University of Birmingham

**Ulrich Schubert**, Friedrich-Schiller-Universität Jena

**Rachel Segalman**, University of California Santa Barbara

**Greg Tew**, University of Massachusetts Amherst

**Edwin L. Thomas**, Rice University, Houston

**Jes Vollertsen**, Aalborg Universitet, Denmark

**Andreas Walther**, Albert-Ludwigs-Universität Freiburg

### CONTRIBUTED LECTURES

The deadline for contributed lectures is June 15, 2019.

### POSTER SESSIONS

We especially encourage young researchers to present their work. Posters will be introduced by a two minute oral presentation.

## General Information

### ONLINE REGISTRATION

Registration will be available on the conference website.

[www.bps-bayreuth.de](http://www.bps-bayreuth.de)

Online registration is open until September 10, 2019.

Registration is also possible at the symposium office on September 22, 2019 starting at 4 pm.

If you need additional information, send a note to:

[bps@uni-bayreuth.de](mailto:bps@uni-bayreuth.de)

### SYMPOSIUM OFFICE

The conference fee includes the symposium Abstract Book, the admission to a welcome reception on Sunday evening, the conference dinner on Tuesday evening, coffee/tea during breaks, and lunch on both symposium days. There will be a concert on Monday night. The admission fee for the concert is included for regular participants only. Concert tickets for students and accompanying persons can be purchased for 15 EUR in advance or at the symposium office.

<b>Participants (regular)</b>	<b>390 EUR</b>
<b>Students</b>	<b>120 EUR</b>

Upon cancellation, a service charge of 50 EUR will be deducted from the refund.
